

Dear Friend,

We are proud to announce the Tampa Bay Veg Fest will make its return on Saturday, November 4<sup>th</sup>, 2017 from 10 AM to 5 PM! We invite you to participate! The event will take place at Cotanchobee Fort Brooke Park on the beautiful Hillsborough River in downtown Tampa. Veg Fest will be promoted in magazines, newspapers, TV, radio, websites, e-mail groups, social networking sites, and on flyers in the area. Tampa Bay Veg Fest is organized by Florida Voices for Animals ([www.FloridaVoicesForAnimals.org](http://www.FloridaVoicesForAnimals.org)), an all-volunteer, nonprofit, grassroots organization whose mission is to educate the public on how to make compassionate choices on behalf of non-human animals and to support and encourage vegetarians and vegans in the Tampa Bay area and beyond.

The event will include healthy living and eco-friendly exhibitors; non-profits; fun and games for kids; restaurant booths; cooking demonstrations; nationally known and local speakers; films; and live music and entertainment. Tampa Bay Veg Fest will draw both committed vegetarians, vegans, and those who want to learn more about how to protect our health, the planet, and its inhabitants. You can promote your business or group to thousands of people who want to learn more about a veg lifestyle and the varied products and services that support healthy, compassionate, and sustainable living.
